

COLLINGWOOD HARRIERS ATHLETIC CLUB Inc.

PAID PART TIME POSITION at COLLINGWOOD HARRIERS

The Club is looking for someone, (preferably a member) interested in spending a little time each week cleaning the Clubrooms.

This would be a paid position and may suit a student looking for some spending money to help with their expenses.

The majority of the work would be involved keeping the two toilet areas clean and tidy.

The Club is willing to be flexible to allow the person to work hours to suit their other commitments, however the successful applicant would also have to be mindful of the various users of the facility and be able, at times, to make minor adjustments to their hours of work.

All cleaning equipment and products will be provided.
