Our present Treasurer/Registrar, Anthony Weiland, has indicated to the Committee that because of a change in his employment, he will not be able to continue in the position after the next A.G.M.

The Club is therefore on the lookout for a new Treasurer and Registrar to begin work after the A.G.M. to be held in late May 2012.

The Club is in a very sound financial position and the books have been well kept during Anthony's tenure. Anyone willing to take on the position would also have access to our Club Auditor, Mr. Terry Lanham, a most experienced accountant (and Life Member of the Club). Any student doing accountancy or a similar course may find the job most beneficial because of the advice Terry may be able to provide.

Please note that the role of Registrar does not necessarily go hand in hand with that of Treasurer. The two jobs are certainly compatible but can be done by different people.

Apart from the duties of keeping the accounts, the Treasurer would be expected to attend the Committee meetings, (second Tuesday of the month), on a regular basis to present the financial statement to the Club Committee.

Note: Although the election is not until May, it may well be advisable to work with Anthony from April 1st, the beginning of the Athletic world's financial year.

Anyone interested in discussing the position is welcome to contact Steve Griffiths.
