

Saturday July 16th.

**FOUNDATION MEMBERS MEMORIAL
BOULEVARDE HCP.**

Great conditions greeted the runners for this, favourite of many, race around the Boulevard.

The day got off to a terrific start with our biggest ever field for a junior race since we've been conducting these events over the last few years. Nineteen starters took off in the 3k event conducted over 3 laps of the home course. The field included a few of the 'older' juniors who didn't want to tackle the big one just yet and a few invitees. The Hendy name was again prominent with three of Club legend **Robert Hendy's** grand kids having a run – and wouldn't you know it – one of them, Clare, was first across the line.

We welcomed another newcomer to the Club with **Tess McDonald** having her first run as a member of Collingwood Harriers.

Nikki White stepped out the substantial shadow cast by her two brothers to be first club member across the line. The bonus points gained has thrown her right into the mix for the junior winter points award. **Ben White** recorded the fastest time, but only a couple of seconds in front of **Adam Garganis** who has run some rippers this season.

Officials: The Club had a great turn up of helpers to assist with the conduct of the races.

Kevin Wigmore and **Ray Harbert** did the timing and recording with the former having done the same job in the junior race as well. **Diana Barnett, Graeme Scott, Tony Williams** and **Don Cook** acted as marshals for both races, while **Terry Lanham, Patrick O’Keeffe, Greg** and **Andre Chambers** and **Alex Hasiotis** jumped in for the big one.

Back in the rooms **Judy Mason, Therese Barnes** and **Clare Garganis** organized the afternoon tea while **Allan Minter** hit the laptop to print up the results.

Thanks also to **Bernie Goggin** from Coburg who managed to get everyone over the bridge without falling in the drink.

Afternoon Tea: The Willmots, Frances and Paul, were the main contributors as they have been for this race for a few seasons. **Kim White** and **Clare Garganis** did their usual bit. Thanks to all who brought something along.

A sad note to the day was **Simon Blyth** announcing that this was probably his last race for Collingwood Harriers as he is shifting to W. Australia to take up a job at Karratha in the mining industry. Simon has identified this move as a chance to secure his future and the Club wishes him all the best in his endeavours. He has assured us he will keep in touch via the Club website and follow our fortunes with interest.

(Could be an interesting Club relay to visit him some time!!)
