4th Annual Kreek Krossing Klassik

Twilight

Pre Winter Club Race

Thursday 25th March, 7.00pm

FREE ENTRY

All club members, masters, friends and keen runners are invited to participate in a relaxed preseason race starting and finishing on the club track. The race will utilise the local creek trail and parklands covering approximately 8km without crossing any main roads. It will be a mass start on a clearly marked course. A detailed map will be available to view pre race. Upon completion, sausages hot off Griffo's bbq and refreshments will be available to all. This is a great opportunity for members to catch up and for non members to see what the club has to offer.
